Clarity, Loving Kindness & Humility in the Practice of Sandplay

MAY 2019

May: The Month of the Emerald

We might think of a lovely cut emerald gracing the throat of Cleopatra or on the hand of royalty. However, the emerald is a valuable stone with Sandplay philosophy at its heart. [Emerald] "opens and nurtures the heart and the Heart Chakra. Its soothing energy provides healing to all levels of the being, bringing freshness and vitality to the spirit. A stone of inspiration and infinite patience, it embodies unity, compassion and unconditional love."

Miniatures for Sale at AST Website

Generous donations have allowed AST to offer top quality miniatures for sale. These collections are from established, working Sandplay practitioners who have retired. Their work will continue on in your practice when added to your shelves. The figures are divided into lots for purchase. Amazing groups of people, buildings, households, animals, fantasy and mythical items are ready for shipping. Check out the lots at the association

website. New lots will be added frequently, so visit often.
