

## The Association for Sandplay Therapy

*... loving kindness, clarity & humility in the practice of Sandplay*

### Membership Renewal Time

If you missed renewing your AST membership in July, no worries. You can register this month by clicking the link "RENEW HERE." In addition to the latest AST information, members are listed on the directory, so clients can locate you. This year, members will receive discounts for trainings, access to international trainers, and networking with others across the world.

Go to the webpage, then About Membership, then Applications. Each person will fill out a new application, even if you have been a member before. This is part of our new website program that allows us to keep in touch with members better. THANK YOU!

[RENEW HERE](#)

### Keep Up-To-Date With Sandplay Trainings

New Webinars and training opportunities will be available soon as we are expanding our online model exclusively for AST. Webinars will be shorter in duration and as inexpensive as possible for our members.

Remember that individual and group consultation is always available. Let us help you earn your registration as a Sandplay Therapist. There is room for everyone at the top!

**SAVE the DATE!**

AST's International Conference  
September 12-19, 2021

This year, AST chose to cancel its 2020 International Conference at Kruger National Park, South Africa, due to Covid-19. We have rescheduled for 2021, and all members are invited
