The Association for Sandplay Therapy

... loving kindness, clarity & humility in the practice of Sandplay

Welcome 2021!

Most of us are thrilled 2020 is now "ancient history." Many great things happened last year but sometimes the cloudiness of the pandemic overshadowed the accomplishments. This poem is meant to remind you of how important you are in the universe.

*You may think that you are completely insignificant in this world.
But someone drinks coffee from the favorite cup that you gave them.
Someone heard a song on the radio that reminded them of you.
Someone read the book that you recommended and plunged headfirst into it.
Someone smiled after a hard day of work because they remembered the joke that you told them today.
Someone loves themselves a little bit more because you gave them a compliment.
Never think that you have no influence whatsoever.
Your touch, word and good deed which you leave behind cannot be erased.

Sandplay Consultants are in high demand. AST is growing and more people are seeking STR status. This is exciting news for our

organization as we want as many people as possible to receive STR certification. To help with consultations, both individual and group, we are in need of more consultants. If you have been designated as STR for three years or more, please consider filling out the application for STR-C status. See the requirements [on our website](#).
