The Association for Sandplay Therapy

... loving kindness, clarity & humility in the practice of Sandplay

DID WE SAY FREE? WIN HERE!

Enter to win this Margaret Lowenfeld collection, donated by Cindy Knapp. This is the first of several give-aways AST will be holding over the next few months.

Using the Lowenfeld Mosaic Test is a unique approach to therapy with children. A video linked below will show you the method and its benefits.

AST's International Conference
September 12-19, 2021

This year, AST chose to cancel its 2020 International Conference at Kruger National Park, South Africa, due to Covid-19. We have rescheduled for 2021, and all members are invited to attend. In addition to extensive Safari trips, members will have the opportunity to hear from key speakers, view casework, and engage in group and individual consultation. It's the trip of a

lifetime!
